BIKINI BOOTCAMP

Tone up your body with the new **SLIM EFFECT RANGE** from Decléor, this stunning new slimming range has been created to develop a more desirable body. The products when used at home will drain away toxins and eliminate excess water from targeted areas for a smoother and slimmer silhouette. Combine homecare with the 'Slim Effect Salon Treatment' for even better results. This amazing new salon treatment will target areas where cellulite builds up by activating the body's circulation and gently heating the tissue to breakdown fatty deposits.

THESE PRODUCTS DEFINITELY WORK!!! "I have been using the complete homecare range once daily for the past 4 weeks and can honestly say that the corrugations of my thighs have smoothed out!" – **Jewels, Calne.**

Scientific evidence has proven the Aromessence Slim Effect reduces bloating sensations for 75% of women and the Slim Effect Gel Cream will reduce hip measurement by 1cm for 8 out of 10 women!

SOLE PERFECT - THE FAMOUS CALLUS PEEL

Prepare your feet for summer with a Callus Peel treatment. This treatment will breakdown and remove the roughest skin from the soles of your feet.

For those with extremely thickened heels, a course of treatment may be advised although remarkable results are seen and felt after the first session.

SLIP SLOP SLAP – with Decleor AROMA SUN EXPERT RANGE

Slip on a shirt, slop on some sunscreen and slap on a hat because this is going to be a hot summer!!

Protect your skin this summer with Decleor, they have reformulated their sunscreen range by adding extra active ingredients to nurture your skin whilst being exposed to the sun. This is not your regular sun screen range as Decleor sun screens, pre tans and after sun lotions will work in synergy to rapidly increase your tanning ability, it assists in making your tan even and not patchy, it deeply protects the cells of the skin to ensure you are less prone to premature ageing and it also helps your tan to last well past your holiday. By using Aromessence Solaire two weeks prior to your holiday and whilst on holiday under your sun protection factor you will increase the natural protection of your skin significantly, allowing for a deeper, more rich and safe tan.
